SAN FRANCISCO, JUNE 2021 – US Capital Global's Managing Partner, **Charles Towle**, has been selected by the Secured Finance Network (SFNet) as a recipient of its esteemed "40 Under 40 Awards" this year. The awards, which takes place annually, seek to recognize and celebrate talented young professionals across the nation who are poised to impact the future of the financial industry.

Headquartered in San Francisco, US Capital Global is a full-service private financial group with an established track record in investment banking, asset management, and capital formation services. The firm provides sophisticated debt, equity, and investment products to lower middle market companies and investors, using the latest FinTech and RegTech innovation.

"I am very proud of Charles and all he has achieved at US Capital Global," said **Jeffrey Sweeney**, Chairman and CEO at US Capital Global. "Since joining the group in 2006, Charles has risen to Managing Partner, and has overseen \$6 billion in transactions. He has led the opening of our 'gateway' offices in London and Dubai, and has helped transform the group into a global FinTech investment bank and a leader in its field. The SFNet '40 Under 40 Awards' are given to those who exemplify true excellence in their industry and dedication to their communities, and I couldn't think of a more deserving recipient than Charles."

"It's a huge honor to be chosen as one of SFNet's 40 Under 40, given the exceptional leaders and innovators in my generation across the United States," said Charles Towle. "I owe this achievement to the outstanding mentors

in my life, especially Jeffrey, who nominated me. There is, of course, still so much more for us to do, especially in championing a new values-driven approach in investment banking and directing resources to the pressing social and environmental needs of our planet. At US Capital Global, we are making real, tangible progress towards this through our independently verified green, impact, and ESG investing, as well as our expanding philanthropic initiatives in the US and abroad.”

The 2021 SFNet “40 Under 40 Awards” ceremony will take place virtually on September 9th. In addition, the winners will be honored in the September issue of *The Secured Lender*, which will feature profiles on all 40 award recipients.
