

## US Capital Global Securities Launches \$10 Million Equity Investment in Ternio

*San Francisco-based private financial group engaged as exclusive placement agent to scalable blockchain company pioneering high-speed, high-volume B2B blockchain transactions.*

SAN FRANCISCO, NOVEMBER 2018 – **US Capital Global Securities**, an affiliate of US Capital Global, is offering to accredited investors a \$10 million equity investment. Based in Georgia, this early-stage blockchain company is seeking funds to launch its own custom, high-speed blockchain platform, Lexicon, and to develop its own prepaid cryptocard, to be used wherever VISA is accepted.

Headquartered in San Francisco, US Capital Global is a full-service private financial group with an established track record in investment banking and capital raise services. Its registered broker-dealer affiliate, US Capital Global Securities, LLC, is acting as the exclusive placement agent for the equity raise for Ternio.

“This is an exciting time for Ternio as we move forward in the development of our patent-pending blockchain platform,” said Daniel Gouldman, co-founder of Ternio. “In raising capital to develop our BlockCard™ and accelerate our overall company growth, US Capital Global’s financial insight and support will be an invaluable asset.”

“We are very pleased to be working with Ternio on this transaction, as the company’s exclusive financial partner,” said **Charles Towle**, Managing Partner at US Capital Global. “As Ternio forges ahead with its Lexicon Blockchain platform, it aims to become the first platform for high-speed, high-volume B2B transactions with its own Block Card™. The opportunity to participate in Ternio’s \$10 million equity investment is **now open to eligible investors.**”

### **About Ternio**

Ternio, LLC (“Ternio”) is a scalable blockchain company pioneering high-speed, high-volume B2B blockchain transactions through its custom, permission-based platform, Lexicon.
