

## US Capital Global Opens New Dubai Office Headed by Director Joshua Hawley

*Global private financial group headquartered in San Francisco continues its international expansion by opening a new gateway office in the Middle East.*

SAN FRANCISCO, OCTOBER 2021 – Following the recent opening of the group's new European Union gateway office in Milan, **US Capital Global** is pleased to announce the opening of an office in Dubai, UAE. The new Dubai office provides a gateway to the Middle East and Africa and is headed by **Joshua Hawley**, recently appointed as Director of the group's GCC (Gulf Cooperation Countries) and Africa division.

Headquartered in San Francisco with more than a dozen offices throughout the world, US Capital Global is a full-service private financial group with an established track record spanning over twenty years in investment banking, asset management, and capital formation services. The group provides sophisticated debt, equity, and investment products to middle market companies and investors, using the latest FinTech and RegTech innovation.

Mr. Hawley is the founder of numerous finance and FinTech companies and foundations across several continents, through which he advises governments, industry leaders, start-ups, and established enterprises on coupling their existing operations with new technologies. A specialist in FinTech law and

international business management, his work focuses on policy surrounding the tokenization of assets, cryptocurrency, blockchain, artificial intelligence, and emerging technology.

“I’m thrilled to be joining US Capital Global at this inflection point in its international expansion,” said Mr. Hawley, who is currently involved in blockchain and digital asset projects in GCC, Africa, Europe, Asia, and North America. “The Middle Eastern FinTech market is currently experiencing an exciting period of growth, with Dubai set to become the flourishing FinTech hub of the region and FinTech to account for 8% of the Middle East and North Africa’s financial services revenue by 2022. I’m excited to bring my FinTech experience to the table and proud to be leading US Capital Global’s GCC and Africa division.”

“We’re exceptionally pleased with the launch of our new Dubai office, which will serve as our gateway to the Middle East and Africa,” said **Jeffrey Sweeney**, Chairman and CEO at US Capital Global. “With a personal network of thousands of accredited investors in more than 40 countries and with extensive experience in serving industry and governments in Africa and the Middle East alongside Fortune 500 companies, Mr. Hawley is well placed to direct our expansion in the region. We look forward to working together, as we position US Capital Global as a leader in FinTech innovation and investment in the region.”

## About US Capital Global

Established in 1998, **US Capital Global** leverages the latest FinTech and RegTech innovation to provide sophisticated debt, equity, and investment products to lower middle market companies and investors. The US Capital Global group manages direct investment funds and provides wealth management and capital raise services through its affiliates, including US Capital Global Investment Management LLC, US Capital Global Wealth Management LLC, and its FINRA-member broker-dealer, US Capital Global Securities LLC. The group collaborates closely with its peers in professional banking and investment advisory. [www.uscapglobal.com](http://www.uscapglobal.com)
